Proclamation

Earth Month - April 2021

Whereas: Our lives and quality of life depend upon the Earth which we inhabit; and

Whereas: Our country has celebrated Earth Day annually on April 22nd ever since the first Earth Day was established in 1970 on the initiative of Senator Gaylord Nelson; and

Whereas: The international theme of Earth Day this year is "Restore our Earth," starting at the local community level; and

Whereas: Many communities have chosen to honor Earth Day by expanding it to Earth Week and even Earth Month; and

Whereas: Already many Earth-oriented events are planned in West Chester in April, such as the planting of many street trees, forums on growing organic gardens and reducing plastic use, and removal of invasive species from the banks of Goose Creek;

Whereas: More such events beneficial to our community and its environment are doubtless being planned; and

Whereas: The Borough wishes to encourage and promote all such civic activities

NOW, THEREFORE, BE IT RESOLVED, I, Jordan Norley, Mayor of the Borough of West Chester, do hereby proclaim APRIL 2021 as EARTH MONTH in the Borough of West Chester.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the Office of Mayor to be affixed on this 17TH day of March of 2021.

Jordan Norley, Mayor
Borough of West Chester, Pennsylvania
