

County Of Chester

Proclamation

WHEREAS: Energy efficiency is the fastest and least expensive way to meet clean energy needs, avoid dangerous pollution, and reduce utility bills for residents, businesses, schools, and all organizations; and

WHEREAS: Cutting energy waste saves U.S. households billions of dollars on utility bills every year; and

WHEREAS: Chester County residents can learn more about energy efficiency efforts and options by attending this year's featured *Chester County Clean Energy Tour* sites throughout the county; and

WHEREAS: Chester County Government's efforts to reduce its carbon footprint began in 2010 with the *Greenhouse Gas Reduction Report*, and more recently included the appointment of an Environmental and Energy Advisory Board, whose first focus was to update the County's Climate Action Plan; and

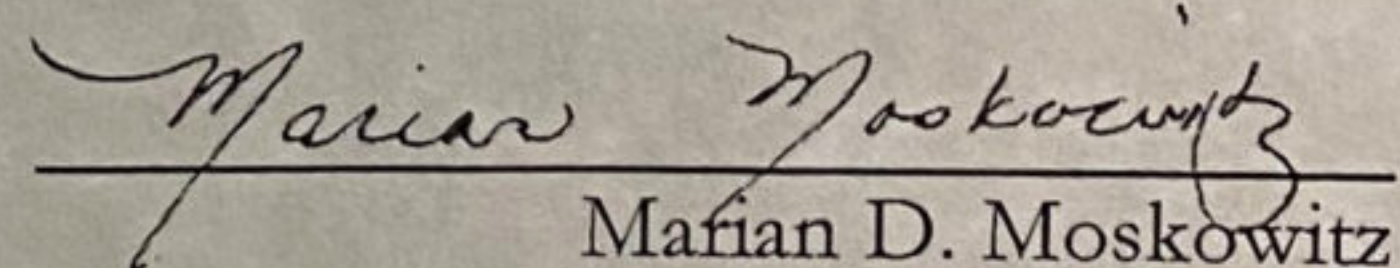

WHEREAS: Chester County's Climate Action Plan includes objectives to reduce emissions from County operations, and through community-wide engagement, by increasing building energy efficiency, transitioning to renewable energy, and promoting sustainable energy and energy efficiency.

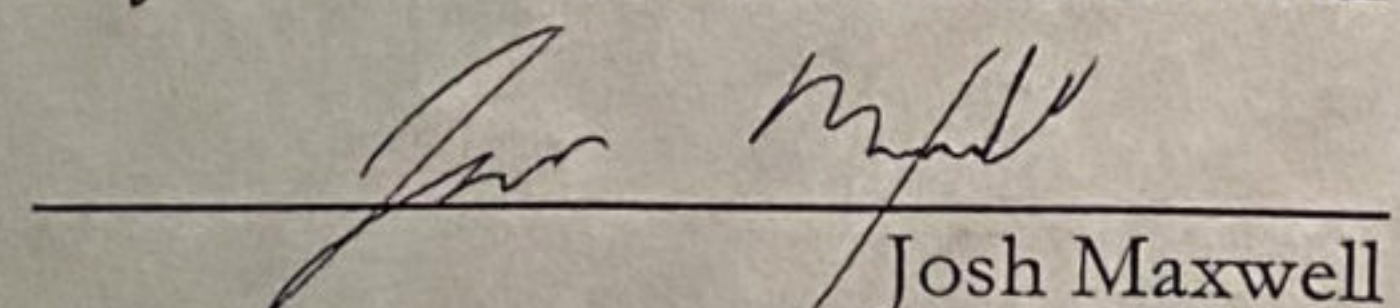

NOW, THEREFORE, BE IT RESOLVED that the Board of Commissioners, County of Chester, Commonwealth of Pennsylvania hereby proclaims its support for

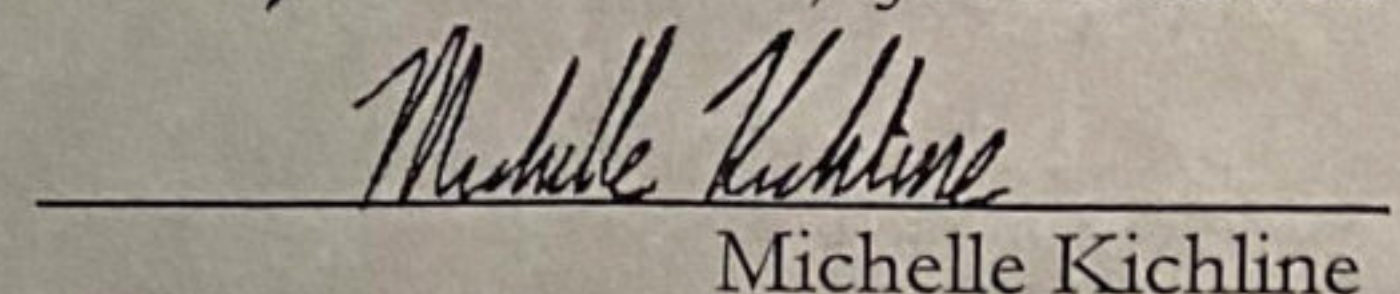

Energy Efficiency Day

on October 6, 2021 and urges all citizens to participate in the Clean Energy Tour, support the County's clean energy goals, and move toward more energy efficiency now and in the future.
