

WHAT IS A SUSTAINABLE STOREFRONT?

In West Chester, for a shop to have joined the Sustainable Storefront's Program, that business has to certify its leadership and initiative in becoming greener. This includes limiting plastic use, encouraging reusable materials, and other sustainable items.

WHAT IS THE GREEN TEAM?

The West Chester Green Team is a non-governmental civic organization in Chester County PA that works to educate the local public and to establish and nourish green initiatives in the community, in harmony with nature and each other, promoting the health of all living things and of planet Earth.

OTHER TIPS

- 1.) Don't buy anything
 - Instead of buying a gift, make something from home! Homemade food, natural gifts, or crafts can be a no-waste alternative for gift-giving.
- 2.) Reuse and recycle
 - Gift-wrapping is one of the biggest sources of waste at the holidays. Instead of using gift-wrap, opt for alternatives such as newspaper or old magazines!
- 3.) Avoid "One-Use" gifts
 - While it may be tempting to buy "one-use" gifts for family members, try to purchase gifts that can be either reused, recycled, or produce little waste.
